

3rd Annual 2nd Cole Harbour Fishing Outing

•**When:** June 7 (Rain date June 9 at the same time)

•**Time:** 6:30-8:30 pm

•**Where:** Kiwanis Park on Caldwell Rd (across from Atholea Dr.)

•**Who:** 2nd Cole Harbour Beavers, Cubs & Scouts

•**What:** This year marks the 3rd year for our Fishing Outing which has also served as a linking activity. This year we are happy to invite the Scouts to join us in this activity.

The Kiwanis Park stocks Morris Lake every year around the first weekend in June with approx. 5000 trout, which is what we will be fishing for.

The best bait for trout is typically worm or a Red Devil lure. However, where these are freshly stocked fish, they may bite on anything.
